*Project groups appoint a representative to fill out the application form in their name. The individual members of the group append their signatures separately. All group members are entitled to the same rights.

How did you first find out about the Berthold Leibinger Innovationspreis?

Encl.:

- Documentation on the work (5-10 DIN A4 pages) incl. abstract in English
- Biography of applicant or applicants (1-2 pages respectively)
- Explanation of context within which work was conducted (approx. 1 page)
- List of members of the project group

Submission of the application means automatic recognition of the conditions of participation. The applicant/applicants declare their full copyright to the work submitted and exempt the Berthold Leibinger Stiftung from any thirdparty claims. The documentation submitted cannot be returned. The applicant/applicants consent to publication of the abstract in the internet and to having the collected data specifically saved and being used in the context of the innovation prize. The Berthold Leibinger Stiftung reserves the right to make changes and modifications to the conditions of participation. Legal action is excluded.
